## **Cashier Job Description**

### **About Us**

Shoreline Market stands as a pinnacle of culinary excellence, specializing in top-quality seafood, dynamic cuisine and engaged customer service. With a focus on using the finest ingredients, Shoreline serves not just as a workplace, but as a haven for creativity and passion, ensuring our guests enjoy a memorable shopping and dining experience. Dining at Shoreline encompasses a casual lunch counter menu. At dinner service, this counter transforms into an elegant and sophisticated take on Omakase with a focus on the freshest seafoods the market has available each day. The open kitchen allows us to cook in front of and interact directly with the patrons as they dine.

### **About You**

You have customer service skills with the ability to engage customers warmly and professionally. You are a hard-working, compassionate, team player, able to work positively with and manage a diverse group of co-workers. You care about the overall success of the business and are 100% committed to this goal. You work proactively and consistently anticipate the chef's needs. You can efficiently produce a consistent, top-quality product while working to minimize waste. You are willing to learn and retain knowledge.

### **Position Overview and Qualifications**
